Reasons I want to serve as an Officer or as a Director on the Board.	<p>I consider Beth Sholom Congregation to be my second home where my children learned about Judaism and the values we shared in a warm, congenial environment.</p> <p>I have reaped many benefits from being part of the Beth Sholom volunteers who helped create the thriving shul we have today. It is important that we continue to provide the appropriate religious, educational and social environment that is crucial to our membership's needs as they evolve over time.</p> <p>As the current Board secretary, I have been privileged to participate in an on-going dialogue about our members' concerns, our shul building's usage, the many wonderful programs that we offer, how we celebrate the holidays and Shabbat and finally, how we can insure the future needs of Beth Sholom. It is important that we work together as a team to provide the kind of environment that will nurture our children's children and beyond. I would like to continue to do this in the capacity of secretary of the Board of Directors for the next term of office.</p>
